Additional Information

THE PROVISIONS OF THIS WARRANTY ARE IN LIEU OF ANY OTHER WARRANTY, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL.

Under no circumstances shall Concept2, Inc. be liable to purchaser or any other person for any special, incidental or consequential damages, whether arising out of breach of warranty or otherwise.

NOTE: Some states/territories do not allow the exclusion or limitation of special, incidental or consequential damages, so the above limitation or exclusion may not apply to you. In the event of a defect, malfunction, or other failure of the product not caused by any misuse or damage to the product while in the possession of the consumer, Concept2, Inc. will remedy the failure or defect, without charge to the consumer, within 14 business days of its receipt of the product. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at Concept2's discretion. However, Concept2, Inc. will not elect refund unless it is unable to provide replacement, and repair is not commercially practicable and cannot be made within the time for performance or unless the consumer is willing to accept such refund. Replacement of a component part includes its free installation if the unit is returned to Concept2, Inc.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state/territory to territory. This warranty does not cover: shipping charges and customs clearance fees; or labor for installation of any parts shipped to you under warranty.
